FAQ

How much does Reonet cost?

Nothing! It's 100% free and part of Best Bar Reinforcements service, so it's always there whenever you need it.

How do I set up an account?

If you are not already set up, either go to reonet.bestbar.com.au and click "Create Account" or call **1800 4736 638** and the Reonet team can help you get set up. Only takes 2 minutes.

Can I have multiple jobs on one account?

You sure can! All your jobs will be added to your account allowing you to monitor each of them separately. It also stores your order history, so you can access them on a later date.

Can I have someone help me use Reonet?

Of course. Our friendly team are here to help guide you through Reonet. They will get to understand your needs so you can start gaining the benefits straight away. Call **1800 4736 638**

Is all my data stored in a secured way?

Yes, we've designed Reonet with security in mind and don't keep any personal details on our web servers.
